#### 100 år

Alle der har fulgt Servas gennem mange år, kender Birgitte Damsgaard, der brugte en stor del af sit liv på fredsarbejde som sekretær i Servas. Først som 90-årig stoppede hun. Birgitte fylder 100 år den 21. marts. Hjertelig Tillykke og tak for dit store arbejde!

## Where next for Servas?

A Servas event is to take place from **16<sup>th</sup> to 23<sup>rd</sup> June 2014** at the Dalesbridge Centre in the Yorkshire Dales, UK, the venue for the 2007 Servas Youth meeting. This will be a joint venture between Servas International and Servas Britain.

It will be a chance for Servas friends, old and new, to enjoy time together whilst also thinking about where we go next as an organisation.

- 
- ***What makes Servas special?***
  - ***What projects would promote Servas as having 'added value' as an organisation?***
  - ***How are SOL and the new website looking following their expected launch in 2014?***
  - ***What still needs to be done?***
  - ***What issues would benefit from imaginative and workable proposals at the next GA?***

-----

The Dalesbridge Centre offers potential for a small or larger group to come together. There is a range of comfortable low-cost accommodation, including camping.

Alongside workshops there will be a social and cultural programme. Set in the Yorkshire Dales there is easy access to beautiful walking and outdoor activities at all levels. In the second part of the week a series of more challenging walks is planned in the nearby Lake District National Park.

Following the meeting Servas hosts will welcome travellers wanting to explore more of the North of England. If there is sufficient interest there is also the possibility of an extended walk for a small group, along one of the region's long distance paths.

**So let us know at [vicepresident@servas.org](mailto:vicepresident@servas.org) if you would be interested in joining the event.**

Dear Servas Friends,

Joint crews of Servas Poland, Servas Russia and Servas Kyrgyzstan are planning another memorable Servas Youth Meeting. This time we want to meet in one of the most amazing and still unexplored places in the

### **Why come to Kyrgyzstan?**

- An opportunity to meet other Servas members from very different locations and cultures: Asian, European and all over the world. A chance to meet members who couldn't reach previous Servas meetings.
- An opportunity to reach what for most of us is not-so-obvious travel destination, get off the beaten track, discover the heart of Asia, its culture and nature.
- An occasion to explore a magnificent mountain area with wild, untouched nature and breathtaking landscapes.
- And last, but not least, an opportunity to meet, talk and to exchange experiences, views and ideas.
